Standing Order Mandate

Introduction

Fundraising is an obvious vital ingredient to the success of our Ignition Project. We are grateful to the Methodist Church and external grant making bodies that are supporting us but this has to complement fundraising of our own.

The Ignition direct giving scheme provides opportunity for those who desire and are able to make a regular gift specifically to Ignition.

It is our hope that this scheme will complement our on-going fundraising events but not detract from the regular church giving.

How to join the direct giving scheme...

The scheme works by "Standing Order", all you need to do is decide on the amount and frequency of your gift and then instruct your bank. If you are familiar with internet or telephone banking you can do this yourself using the account information below. Alternatively, fill in the tear off mandate opposite and post to or hand in at your bank.
