NEWS & APPEALS

Cooking at Church As part of our summer clean up, we have spent a significant sum on having our oven professionally cleaned. It would be good if everyone who uses it from now on would make a concerted effort to leave it as clean a state as possible. Thank you. The Property Team

Open Doors would like to take this opportunity to thank you all for the support and donations you have provided. So many people would have quite major problems, if it was not for this project and so all of you who help us. Unfortunately the problems we encounter are not going away; you only have to watch the news to confirm many areas of the World have problems. This means the work we would like to do is growing. In fact we are having difficulty in supplying quite basic items, and one of our biggest shortages is in Toiletries for both Men and Women. I know this is not an easy time for everyone, so I wish we did not have to ask for more. But if a special effort could be made to increase donations of Toiletries. We would be very grateful. Bashir Siraj Open Doors Project Worker

CAP Debt Centre - Appeal.

I urgently need more volunteers to be befrienders to new clients. The role only requires approx. half an

hour a week (apart from the first visit which takes 2 hours) and is so rewarding. (I am particularly short of men volunteers!!!). If you feel that you could help, it would really be appreciated. Thanks. Denise (352003).

Wednesday Lunch Club (formerly known as Friendship Club). Can You Help????

We have a need for additional support with serving lunches on Wednesdays (on a rota that involves a once-a-month commitment: 11.30am to 2.30pm). We also need an additional team leader who will take responsibility for buying and cooking. On-line training for a Level 2 Hygiene Certificate will be provided. If you can assist with either of these important roles, please speak to Bob or Jean Richardson or Steve Saunders. Thank you.

September's YORSAY is available on the notice board or at http://www.yorkhullmethodist.org.uk/uploads/documents/sic_51d4111aa7_19082014123101.pdf
