This means that between 7am and 10pm we all need to keep out of the Church and not use it as a thoroughfare between the coffee shop and the rear of the building. This is the normal protocol for elections and should not affect the operation of groups using the coffee shop or the rear premises.

NEWS & APPEALS

Church Flowers. We are pleased to announce that we have set up a new “Flower Group” to co-ordinate the organisation & provision of flowers in the Church. The group consists of five people and, initially, Val Wood will be

pulling together the arrangements. There is a rota in place and we would invite anyone who would like to participate in this important area of ministry by supplying flowers, purchasing flowers with money provided by others, arranging them and making sure they go to appropriate recipients, to please sign up or speak to Val. Thank you. Val will explain a bit more during this Sunday morning's service.

First Meetings under the new Church Team Structure!!!! Please note that the first meetings of the four new management committees of the church have now been arranged. Please see separate entries under “Dates for your Diary” above. All four meetings will be open for anyone to attend and we would actively encourage you to attend some or all of the meetings to hear about what is going on and perhaps to put ideas or suggestions forward as well. Please remember that by coming along you are not making a commitment to join that particular team, or tying yourself in to attending future meetings – you can just come along whenever suits you. If you have any queries about this, please speak to one of the stewards.

Church Bookings. Please note that Arthur Credland is now dealing with all bookings for our church. All requests or queries regarding bookings should be made with Arthur on 565443.
