Our Future Mission - The Responsibility is Ours (TRIO) 14 June is going to be a really important day for us at AP. There will be a special Presentation during Morning Worship that day to update everyone about how we can be effective in developing our Mission into the future and what resources we need to achieve this success. The point is that "The Responsibility is Ours" to get to where we want to be! We therefore need everyone to make a special effort to be at Church that morning so we are asking for you to make a careful note of the date **now** so as not to miss out. You'll be hearing more about this over the next few weeks! From the TRIO Planning Group

Use of rooms at APMC With a marked increase in demand for the use of rooms at Church we have needed to review our policy regarding bookings. This should be to the benefit of everyone and should minimise frustration and inconvenience. From now on, no assumptions should be made about the availability of rooms anywhere on the premises (Including the Church and the Coffee Shop). All requests to use any room should be addressed to the Bookings Secretary (Arthur Credland) whose telephone number is 565443. If Arthur is able to respond positively to any request he will inform John Hallam whose sole responsibility it is to record the booking

on Google Calendar. It is essential that we have just one person dealing with bookings and entries to Google Calendar. Google Calendar is on www.anlabyarkmethodistchurch.com the Church's website. Click on "Our Church" and select "Church Calendar" on the drop down menu. Thank you in anticipation of your cooperation. Steve Saunders Resources Manager

First Meetings under the new Church Team Structure!!!! Please note that the first meetings of the four new management committees of the church have now been arranged. Please see separate entries under "Dates for your Diary" above. All four meetings will be open for anyone to attend and we would actively encourage you to attend some or all of the meetings to hear about what is going on and perhaps to put ideas or suggestions forward as well. Please remember that by coming along you are not making a commitment to join that particular team, or tying yourself in to attending future meetings – you can just come along whenever suits you. If you have any queries about this, please speak to one of the stewards.

Knitted Zebra Crossing Please could any crafty friends help us out? We would like to knit (or crochet) a zebra crossing to roll across the road near a local primary school. If you would like to help us in our mission we are collecting & creating black and white squares, or rectangles which we will sew together at Orts. Any size, any pattern welcome. Thank you. Liane Kensett
