After a committal, there will be a service on September 30<sup>th</sup> at 2pm at Sutton Methodist Church to Celebrate His Life with light refreshments afterwards, to which everyone is welcome.

**City of Culture** As you know, in 2017 Hull is going to be the 'City of Culture'. We need to begin dreaming and planning our input as people of faith, who are filled with the Spirit of creativity.

Andy Paxton is the fab co-ordinator of the 'Believe in Hull' contributions, enabling all the churches across the

city to work together, the idea is that as part of the wider community of Hull, churches can use the yearlong celebration to help release confidence in our city, and creatively tell the story of who we are, and who we all can be. Encouraging those around us to catch the vision of the Kingdom of God.

Andy is looking for 'culture buddies', individuals within different churches who are passionate and have ideas, we are then going to build up teams eg visual arts, music, drama, to bring these dreams into reality. We need to start the ball rolling in order to be ready. Please look out for a blackboard appearing in your church, and when you see it please add your ideas for fun, creative things we can do during 2017. If you are interested in being involved at any level please contact [liane@markkennett.com](mailto:liane@markkennett.com) or ring me on 642159, and I can explain more, or put you in touch with the right person, so we can be ready and able to embrace the fun and amazing opportunities 2017 offer us.

**Can You Manage "A Week Without"???** In order to raise the profile of our local CAP Debt Centre, and to raise funds for CAP UK, we are holding "A Week Without" beginning on Monday 26<sup>th</sup> October. This is a really inspiring opportunity for you all to take on a special challenge for a week – and the challenge is to give up something for a whole week. There are a number of suggested challenges, or you can come up with your own.
