NEWS & APPEALS

I would like to thank you for all the support I have received this week as I have started in my new role at church as the family worker. It is an exciting opportunity to see God at work in the lives of others. It is different for me though as it is not purely a children's worker role which I have been doing in the circuit. This role is a role that looks at, encompasses and serves the whole church family and beyond. Working out what this means practically and trying to map out a vision for this role is going to take some time. Identifying priorities is key as the role is only 15 hours a week. The management group and I will meet in approximately 6 weeks time where I hope to share firstly with them and then the wider church my vision for my new role.

I have set up a Facebook page for those in the church family and those families whom we serve. I hope to regularly have information on this page to keep people up to date on what been going on, information of events and where people can find opportunity to get involved. Please come and find us and join the group. It is under Anlaby Park Methodist Church family worker info page. Obviously with my split role of having pastoral charge at Clowes as Lay Pastor, my AP role and my preaching commitments means I am going to have to split my time on a Sunday. So please feel free to talk to me about the role when I'm at church.

Please continue to pray that the work I am doing is spirit led, taking us to the risky edge of what we do. When we serve in this way, we see amazing things happen. So take a deep breath, get out of the boat and let's get our feet wet. I'm going whose coming with me?

Thank for all your love and support
Matt
