Safeguarding If you are working with Children, Young People or Vulnerable Adults could you please write a brief job description and let Revd. Andrew Stead have this by email (andrew@stead01.freeserve.co.uk). If you don't have email, could you let Andrew or myself have a paper version as soon as possible please. Some examples are below.

Creche Assistant – supervising babies and toddlers (i.e. those too young to attend classes) during church services to allow parents to attend the service (i.e. where this takes place in a separate room and the parents are not present).

Sunday School Teacher – teaching classes for children held separately from Sunday services.

Youth Group Leader – teaching and leading activities for children in church premises at other times in the week.

If you are working with vulnerable adults then please describe your role. Thank you – Christine Hornsby

Getting the Message Through

With the ever increasing number of activities taking place on our premises, some concern has been raised as to how effective we are at letting people in the community know what is going on. We've tried all sorts of posters, leaflets, social media etc but still find that people say “I didn't know about that!”. The Resources Management Team think there may be people around with ideas for sharpening up our efforts and so we would like to call a meeting of anyone interested in exploring this further. If you are interested, please let me know and I will set up a meeting. I would like to do this within the next month or so. Thanks – Steve Saunders.
