## DOMINICS

It looks like the long promised demolition of the building next door is imminent. Work on site is due to start on Monday 10<sup>th</sup> April and should complete within 2 weeks. During these two weeks, work will affect the entrance to the western side of the church building so access to the church and the rear rooms will need to be via the coffee shop or the door off the car park leading to the church hall. Any inconvenience is regretted but the temporary closure of the western approach is in the interests of safety. We are assured the demolition site will be secured and fenced during the 2 week period.  
Steve Saunders.

## Message from “All We Can”

Thank you very much for the recent gift of £153.65 for East Africa Famine 2017 appeal that you sent on behalf of your church. Please express our gratitude to all those who have contributed to this donation. Your gift will be put into action by our partners in South Sudan, Somalia and the surrounding region, helping to improve conditions and prospects for families that are facing extreme food shortages. All We Can is responding to these dire circumstances in alliance with an experienced humanitarian aid partner in the country. The focus of this response is meeting urgent nutritional needs, especially for the most vulnerable such as children under 5 and women in rural areas where land can no longer be farmed. So thank you again for taking action and offering your support to families when they need it most.
