OUR CALLING

You may have noticed a newish poster on the Notice Board in Church. Well, it's not that new, actually, for 'Our Calling' has been around for a good few years, but the Methodist Church has been trying to give this topic a new lease of life just recently.

You may also be aware that our Hull Centre and West Circuit, this year, has no Superintendent Minister following the departure of David Perry in July, but our District Chairman, Leslie Newton, is plugging the gap for the year. Leslie 'chaired' the Circuit Meeting a week or so ago and threw out some interesting challenges to us all about how we might better be using the resources within our Church to be more effective in fulfilling 'Our Calling'.

We are hoping to look a little more closely at this topic at the next meeting of the Resources Management Team on Tuesday 9 October and you are invited to join in what could be some really interesting conversations. If you don't normally get to Resources Team meetings, here's a challenge to make an exception on 9 October. Do come along to the Coffee Shop for 7.30 and get involved. The event should not run for much longer than an hour.

Hope to see you there!

Steve Saunders

Resources Management Team Steward
