Wednesday Lunch Club. We have identified a need for some additional help with driving some of our people to and from lunch on a Wednesday (to get there by about 12.30pm, leaving between 2-3pm by negotiation with the client). Remembrance Sunday idea. Steve and Margaret are leading worship and are exploring the possibility of people knitting or crocheting 100 poppies which could then be tied onto a net for a visual focus at the morning service? A thread is left at cast on and cast off so that there is something to do the tying. If someone wants to remember a specific person or event then a label

could be attached. There are many patterns on the internet that can be copied in case you do not have access to a computer. Anyone with any development of this idea or who has a net, please speak to Margaret or Steve.
